

UNDERWRITING COMPANY

**Veterinary Pet Insurance Company**

PRODUCT

**Veterinary Pet Insurance**

The demand for dog and cat health insurance is primarily driven by the recent availability of sophisticated, high tech veterinary medical options and their associated costs. This includes the high cost of treatments for illnesses and accidents as well as the increased outlay necessary for routine health maintenance.

- Reimbursements are paid directly to pet owners for a comprehensive list of veterinary services.
- Coverage for spaying and neutering.
- \$50.00 per incident deductible.
- Claims processed with in 10 days or less.
- Choice of any veterinarian — no pre-authorization required.
- Coverage for confinement of your pet at a veterinarian’s premises or hospital.
- Convenience of payroll deduction.
- Affordable-You choose the cost and coverage that best suits your budget and needs.
- Portability-These policies may be taken with you, when you leave or retire.

**Available Riders**

- Vaccination and routine care coverage  
Includes:
  - DHLPP vaccine for dogs
  - FVRCPV vaccine for cats
  - Rabies vaccine
  - Booster vaccine for kittens or puppies
  - Heart Worm testing
- Double cancer coverage endorsement
