## Welcome to open enrollment!

Trinity Health and Mercy Medical Center–Clinton are pleased to provide you with the information you'll need to enroll for next year's benefits in this easy-to-navigate booklet. We believe that this comprehensive enrollment guide will make it easier for you to learn about your benefit plan options, decide on the levels of coverage that are right for you and your family, and compare costs *before* you log in to the My Benefits website to complete your online enrollment.

In addition to details about the benefit plans that are available for 2010, this enrollment guide provides other important information, such as associate and dependent eligibility requirements, step-by-step instructions on how to enroll online, and how to get answers to your questions.

Before you enroll, take a few minutes to review all of your benefit plan options and their corresponding premium contributions before making your selections for 2010. **NOTE:** premium contributions may vary from the amount shown on your pay advice due to rounding.

Be sure to consider what your needs may be for the upcoming year, and choose your benefits accordingly. Refer to the "For more information" section if you have questions about open enrollment that aren't addressed in this enrollment guide.

### If you don't enroll

You must enroll to elect benefits of your own choosing for 2010. If you don't make benefit elections on or before November 4, 2009, you automatically will receive a default package of benefits, which includes the same elections you had last year for medical, dental, vision, life insurance, disability (where applicable) and legal (where applicable) benefits.

However, **your current elections for the health care and dependent care flexible spending accounts, paid time off cash-out opportunity (where applicable), and/or medical discount program\* will NOT carry forward.** If you wish to participate in these programs next year you must complete your online enrollment between October 21 and November 4, 2009. For details on the medical discount program\*, see the "Your benefit options" section of this enrollment guide.

\*The medical discount program is available only to those associates who meet eligibility and income criteria.

### Benefit elections are effective for the entire year

Remember, the benefits you elect during open enrollment will be in effect from January 1 through December 31, 2010. The choices you make now are final for 2010 because open enrollment is your only opportunity during the year to switch medical, dental or vision plans – for example, changing from one medical plan to another.

If you experience a qualified status change or certain employment status changes AND provide any required documentation to your Human Resources representative within 31 days of the event, you will be allowed to make certain benefit changes that are consistent with the status change. For example, getting married is considered a qualified status change. If you get married during the plan year you'll be able to add your spouse to your coverage within 31 days of the marriage because this is consistent with the status change. However, getting married is not consistent with switching from one medical plan to another, so you wouldn't be able to make this type of change until the next enrollment period. For more information on qualified status changes, visit <http://mybenefits.trinity-health.org>.

So before you enroll, be sure to consider what your needs may be for the upcoming year — and to choose your benefits accordingly.

## What's new for 2010

### Updated dependent child eligibility rules

Dependent children may be eligible for coverage under the plan through the end of the calendar year in which they turn age 26, provided they meet certain criteria as defined under the IRS tax code. To view the complete eligibility rules and documentation requirements for you and your family members, visit <http://mybenefits.trinity-health.org>.

### Are you a smart health care consumer?

As you've probably heard, the cost of high-quality health care continues to increase each year. Being a smart consumer means getting the best price on something you need, whether it's a new car or health care.

Being a smart health care consumer doesn't mean you should avoid trips to the doctor — it means making the best decisions about *when* to go to the doctor. Regular checkups can improve your health and extend your life. However, fewer than 30 percent of associates currently use the preventive care benefits provided by our medical plans. By getting the recommended exams and tests, you increase your chances of discovering problems before an illness significantly affects your health. Plus, preventive care is beneficial not only to your physical well-being, it also makes sense for your financial health because generally, it's covered by your medical plan (some services may require a copayment). For more information on preventive care benefits, visit <http://mybenefits.trinity-health.org>.

An easy way to be a smart health care consumer is to choose a Trinity Health location when you or a family member needs medical care. Besides receiving excellent care at our own facilities, you receive the highest level of benefits while paying the lowest available copayment and coinsurance amounts.

## Adding family members

If you're adding family members to your benefit plan for the first time during this year's open enrollment, you are required to provide written documentation verifying their dependent status to Human Resources no later than November 18, 2009. If you don't submit the required paperwork by the deadline your dependents will not be enrolled for coverage for 2010, and you'll be required to wait until next year's open enrollment period to add them to the plan — provided they remain eligible, and you provide written documentation verifying their dependent status at that time.

To view the complete eligibility rules and documentation requirements for you and your family members, visit <http://mybenefits.trinity-health.org>.

### Medical discount program

A medical plan discount program is available to increase access to health care services for all of our associates. This program, which applies to all available medical plans, makes benefits more affordable for eligible associates enrolled in a Trinity Health medical benefit plan by reducing the monthly contribution amount by 25 percent or 50 percent.

To participate in the medical discount program, you must meet specific income and eligibility guidelines and have at least one year of continuous service at the time of open enrollment. To apply, you must complete an application form and submit it with a copy of your most recent Federal Income Tax Form 1040 or 1040EZ to Human Resources by November 4, 2009.

REMINDER: If you qualify for the medical discount program, you must complete the application for 2010. Your prior year election will NOT carry forward.

For more information about the medical discount program, visit <http://mybenefits.trinity-health.org>.

## Your benefit options

### Medical coverage

You're eligible for medical coverage if you're a regularly scheduled full- or part-time associate with 32 or more budgeted hours per pay period, and have satisfied the required waiting period. You have a choice between two medical plans to protect you and your family from illness and injury: the Standard Option B PPO plan and the Personal Care Account (PCA) PPO plan. The table on the next page highlights some of the important features of each of the plans.

The information provided presents associate coinsurance/copayment responsibility, as well as a brief summary of features, for each of the plans.

MEDICAL Plan Highlights	Standard Option B PPO			PCA PPO				
	Trinity Health facility <sup>1</sup>	In-network (Aetna)	Out-of-network <sup>2</sup>	Trinity Health facility <sup>1</sup>	In-network (Aetna)	Out-of-network <sup>2</sup>

<b>Prescription drug copayment/coinsurance<sup>4</sup></b> Generic (required if available) Brand formulary Brand non-formulary	<b>Retail (34-day supply)/mail (90-day supply)</b>							
	\$10/\$25 copayment							
	20% (\$20 min, \$70 max)/20% (\$50 min, \$175 max) coinsurance							
	40% (\$40 min, \$90 max)/40% (\$100 min, \$225 max) coinsurance							
<b>Lifetime maximum</b>	\$2 million							
<b>Your per pay period cost</b>	<b>Full-time</b>		<b>Part-time</b>		<b>Full-time</b>		<b>Part-time</b>	
	<b>Wellness Member</b>	<b>Non-wellness Member</b>	<b>Wellness Member</b>	<b>Non-wellness Member</b>	<b>Wellness Member</b>	<b>Non-wellness Member</b>	<b>Wellness Member</b>	<b>Non-wellness Member</b>
Associate only	\$40.39	\$46.45	\$107.70	\$123.86	\$31.41	\$36.12	\$83.76	\$96.32
Associate plus spouse	118.47	136.24	215.40	247.71	92.13	105.95	167.51	192.64
Associate plus child	88.86	102.19	161.55	185.78	69.10	79.47	125.63	144.47
Associate plus family	156.98	180.53	285.42	328.23	122.07	140.38	221.95	255.24

<sup>1</sup>Applies to facility fee only; does not include professional fees.

<sup>2</sup>Patient is subject to balance billing when using an out-of-network provider.

<sup>3</sup>In-network deductibles apply for non-emergency use of a Trinity Health emergency room.

<sup>4</sup>Copayments and deductibles do not apply to out-of-pocket maximums.

## Dental coverage

You're eligible for dental coverage if you are a regularly scheduled full- or part-time associate with 32 or more budgeted hours per pay period, and have satisfied the required waiting period. You have access to the Premier High plan. Shown below is a brief summary of the plan's features, along with your portion of the coinsurance/copayment responsibility.

DENTAL Highlights	Premier High Plan	
<b>Annual deductible</b>		
Individual	\$50	
Family	\$100	
<b>Preventive services</b>	100% covered (\$0 associate cost)	
<b>Basic services</b>	20%	
<b>Major restorative services</b>	50%	
<b>Orthodontics (to age 19)</b>	50%	
<b>Maximums</b>		
Per person annual (non-orthodontics)	\$1,000	
Per person lifetime (orthodontics)	\$1,000	
<b>Your per pay period cost</b>	<b>Full-time</b>	<b>Part-time</b>
Associate only	\$1.96	\$9.79
Associate plus spouse	5.67	18.91
Associate plus child	6.14	20.47
Associate plus family	13.47	33.68

Notes: Fluoride treatments are covered once every 12 months to age 14. Bitewing x-rays are covered once every 12 months.

## Life insurance

### Associate life insurance options

If you're a regularly scheduled full-time or part-time associate with 32 or more budgeted hours per pay period, you receive basic life insurance provided at 1 times annual pay.

In addition, you have the option to purchase supplemental coverage for yourself in the increments shown in the table below. If you purchase associate supplemental life insurance, the premiums will be deducted from your paycheck on an after-tax basis.

If you elect supplemental life insurance and you're approved, you will be eligible for will preparation services through Hyatt Legal Plans at no charge.

ASSOCIATE LIFE INSURANCE Plan Highlights	Full-time	Part-time
<b>Basic Life</b>	1x annual pay (employer-paid)	1x annual pay (employer-paid)
<b>Supplemental life</b>	1x annual pay 2x annual pay 3x annual pay 4x annual pay 5x annual pay	1x annual pay 2x annual pay 3x annual pay 4x annual pay 5x annual pay

Costs for associate supplemental life insurance coverage are based on your age, and will be available when you enroll online.

### Spouse and/or child life insurance options

You have the option to purchase coverage for your dependents in the increments outlined below. You may elect coverage for your dependents without electing coverage for yourself. Spouse life insurance rates are based on the age of the associate.

DEPENDENT LIFE INSURANCE Plan Highlights (Full-time and Part-Time)	
Spouse Life <sup>1</sup>	Child(ren) Life <sup>2</sup>
Coverage amount	Coverage amount
\$10,000	\$2,000
\$20,000	\$5,000
\$50,000	\$10,000
\$100,000	\$20,000

<sup>1</sup>Costs for spouse life insurance coverage are based on your age, and will be available when you enroll online.

<sup>2</sup>Child(ren) life insurance costs per pay period cover all of your eligible children.

Some associate and dependent life insurance elections may require you to complete and submit a Statement of Health form. If your election requires a Statement of Health, the enrollment system will prompt you to submit the form. For more information about your life insurance benefits or to obtain a Statement of Health form, visit <http://mybenefits.trinity-health.org>.

### Review your beneficiaries

Now that you're thinking about your life insurance coverage, you may want to take a moment to review the beneficiary(ies) you have on file for your basic life coverage. If some time has passed since you named beneficiaries, are they still appropriate? If you haven't yet designated beneficiaries, your life insurance benefits will be paid according to the plan provisions as outlined in the Summary Plan Description.

You'll have an opportunity to review (and change, if you wish) your life insurance beneficiary(ies) during the open enrollment process.

## Long-term disability

Trinity Health and Mercy Medical Center – Clinton provide long-term disability (LTD) coverage equal to 60 percent of base pay (subject to a maximum monthly payment) to regularly scheduled, active associates with 36 or more budgeted hours per week. Benefits begin after a 90 calendar day elimination period following an injury or illness.

For more information about your LTD benefits or to obtain an Evidence of Insurability form, visit <http://mybenefits.trinity-health.org>.

## Health care and dependent care flexible spending accounts

You are eligible to participate in the flexible spending accounts if you're a regularly scheduled full- or part-time associate with 32 or more budgeted hours per pay period, and you have satisfied the required waiting period. Eligible associates have the option to contribute before-tax money to offset health care or dependent care expenses.

You can elect one of two methods for flexible spending account reimbursement: receiving a check in the mail, or having the funds direct-deposited into your checking or savings account. You also can elect to participate in Aetna's "streamline" enrollment process for any out-of-pocket costs related to your medical claims, which allows you to be reimbursed without submitting any paperwork. Visit [aetna.com](http://aetna.com) for further information on streamline enrollment.

### Health Care Spending Account (HCSA)

You have the option to contribute before-tax dollars in any amount between \$130 and \$5,000 annually. Contributions made to the HCSA during the 2010 calendar year will be eligible for reimbursement for claims with dates of service between January 1, 2010 and March 15, 2011.

### Dependent Care Spending Account (DCSA)

You have the option to contribute before-tax dollars in any amount between \$130 and \$5,000 annually. Contributions made to the DCSA during the 2010 calendar year will be eligible for reimbursement for claims with dates of service between January 1, 2010 and December 31, 2010.

### Example

A family with an annual income of \$50,000, tax bracket of 23 percent, and out-of-pocket health and dependent care expenses of \$2,000 can increase the amount of their take-home pay by over \$450 as shown below.

Annual tax savings	FSA	No FSA
If your taxable income is	\$50,000	\$50,000
Before-tax FSA contribution	(\$2,000)	\$0
Taxable income	\$48,000	\$50,000
Federal income and Social Security taxes	\$7,857	\$8,310
After-tax dollars spent on eligible expenses	\$0	\$2,000
Available after-tax income	\$40,143	\$39,690
<b>Savings with an FSA</b>	<b>\$453 or 23%</b>	<b>N/A</b>

**IMPORTANT:** Claims for the 2010 plan year must be received by Aetna on or before March 31, 2011.

**REMINDER:** You must make health care and/or dependent care spending account elections for 2010. Your prior year elections will NOT carry forward.

For more information about your medical and dependent care flexible spending account benefits, visit <http://mybenefits.trinity-health.org>.

## An extra 2½ months to "use it"

The IRS is giving you two-and-a-half extra months during the 2010 plan year to use any unspent amounts remaining in your Health Care Spending Account (HCSA) at the end of 2009.

This means that you have until March 15, 2010 to use the money you contribute to your HCSA this year. Be sure to use it by March 15 and submit your claims to Aetna so that they are received on or before March 31, because you'll be required to forfeit any amounts still in your account after that.

Let's look at an example. During open enrollment, LuAnn decides to set aside \$1,500 in her Health Care FSA for 2010, \$500 of which is to purchase new eyeglasses for her children. It's an exceptionally busy year for LuAnn, and she realizes in January 2011 that she neglected to take the kids to the eye doctor as planned. Thanks to the IRS grace period, the money she had set aside to pay for this expense is still accessible. LuAnn buys the new glasses before March 15 and submits a claim to Aetna before March 31, so she is able to receive reimbursement for this eligible expense – even though it was incurred in 2011.

For a list of expenses that are eligible for HCSA reimbursement, visit <http://mybenefits.trinity-health.org>.

## Voluntary benefits available

In addition to your group benefits, Trinity Health and Mercy Medical Center – Clinton have partnered with the Farmington Company to provide eligible associates the opportunity to elect personal insurance plans from a portfolio of products.

Individual policy options include:

- Whole life insurance
- Long-term care insurance
- Cancer insurance
- Critical illness insurance
- Short-term disability insurance
- Auto/home insurance
- Pet insurance

You can enroll (or cancel your coverage) by calling 866.251.9529. Be sure to tell the representative that you are a member of Trinity Health, Mercy Medical Center – Clinton.

## PTO cash-out

You can cash out between 8 and 80 hours, provided you maintain a minimum PTO bank of 80 hours. You may elect one of two cash-out dates: the first pay in July or December 2010.

Your PTO cash-out election for 2010 may only be made during open enrollment to avoid taxation on the value of your PTO bank, including the hours that you do not intend to cash out. Your election is irrevocable and cannot be changed. You may only cash out hours that you will accrue during the calendar year in which you plan to receive payment. Consequently, you may not cash out PTO hours carried over from previous years. For example, Jane has a PTO balance of 100 hours as of December 31, 2009. During open enrollment, she elects to cash out 40 hours in 2010. Jane cannot cash out any of the 100 hours she earned in 2009 or earlier. She must plan her 2010 cash-out amount on only the hours she will accrue in 2010.

**REMINDER:** If you want to cash out PTO in 2010, you must make a new PTO cash-out election. Your prior year election will NOT carry forward.

For more information about PTO cash-out, visit <http://mybenefits.trinity-health.org>.

## How to enroll

Annual enrollment will once again be conducted via our web-based tool, which allows you to make all of your benefit choices electronically via the My Benefits website. This ensures greater accuracy and efficiency when it comes to delivering the benefits you choose for yourself and your family. And you can be sure that your personal information is secure on the enrollment website. Trinity Health has taken extra precautions to ensure the integrity of all confidential records.

It takes only about 10 minutes to make your benefit elections online, and you don't have to fill out any forms. Keep in mind, if you qualify for the medical discount program, you must make an election for 2010 by completing an application form.

If you don't have a computer with Internet access in your workplace or your home, you can enroll at computer stations provided by your Human Resources department or at your local public library. You can enroll any time that's convenient to you during the open enrollment period – 24 hours a day, seven days a week.

Following are step-by-step instructions for enrolling for your 2010 benefits:

1. Access the Trinity Health My Benefits website through the Internet at <http://mybenefits.trinity-health.org>. If you do not have a computer with Internet access in either your office or your home, you can enroll from computers provided by the Human Resources department or at your local public library. The My Benefits website is available 24 hours a day during open enrollment (October 21 through November 4, 2009).
2. From the My Benefits home page, click on the section titled "My Health & Welfare."
3. From the My Health & Welfare page, click on the "Name/Location of your Trinity Health Ministry Organization."
4. From Mercy Medical Center–Clinton's page, select "2010 Open Enrollment." This area of the website provides you with complete information to help you make your enrollment decisions, including an overview of the benefits program, links to provider directories, and a selection of useful benefits forms (for times when a paper signature is required).
5. Once you have read through the benefit explanation information provided, click on "Enroll Now." This link will connect you to the PeopleSoft e-benefits online enrollment system sign-in page.
6. To view your personal benefits information, enter your user ID and password:
  - **User ID:** Your associate ID (if you don't remember your associate ID number, refer to your pay advice).
  - **Password:** Enter your existing password. If you forgot your password and have set up your two security questions, click the "Forgot Password" link for a new password to be generated. You will be prompted to answer your two security questions. If you have not set up your security questions, your password should be your first initial of your first and last name in capital letters, plus your associate ID (for example, AB123456). You will be prompted to set up two security questions.

Click on "Sign In." You may be prompted to change your password. Change the password to something you can remember by following the instructions. Click "Home" on the top menu bar to continue through your enrollment session.

7. The e-benefits home page is the starting point for enrolling in your benefits. You may choose from the following options/links:
  - **Benefits Summary:** Review your current coverage.
  - **Benefits Enrollment:** Review detailed information on coverage and dependents and make any open enrollment changes for 2010.
  - **PTO Cash-Out Election:** Elect to receive cash in lieu of a portion of accrued PTO hours during a specific quarter in 2010.
8. The “Benefits Enrollment” link takes you to an “Event” page. This page will list your Open Enrollment event as “Open for Processing.” Click “Select” to reach your personal enrollment statement.
9. The enrollment statement shows current and new coverage for all of your eligible benefits. New coverage will become effective January 1, 2010. Click the “Edit” button next to each benefit type to review your 2010 cost options as well as your covered dependents. Keep in mind that premium contributions may vary from what is shown on your pay advice due to rounding. Please ensure that a check mark appears in the box next to the name of all eligible dependents you wish to cover.
10. When you are finished making any desired changes to your dependent information and benefit options, print the enrollment page for your records by clicking on the printer icon located at the top of the screen. You will want to compare this information to the confidential confirmation statement that will be mailed to your home shortly after open enrollment ends, as well as to the information shown on your first pay advice in January.
11. After you have printed your online enrollment statement, scroll to the bottom of the page and click on “Submit 1 of 2.” You will be directed to the “Submit Benefit Choices” page.

**Note:** If you receive an Errors & Warnings notice, please print it for your records. All errors must be resolved before the beginning of the new plan year. Warnings will highlight additional actions you need to take after submitting your request before your requested benefits can begin. Click on “Continue.”
12. Scroll to the bottom of the “Submit Benefit Choices” page and click on “Submit 2 of 2.” You will be directed to the “Submit Confirmation” page.
13. On the “Submit Confirmation” page, click on “OK” to submit your 2010 benefit elections. You will be returned to the benefits enrollment page.
14. Click “Sign Out” in the upper right portion of the page to end your enrollment session.
15. Close the browser window by clicking on the “X” in the upper right corner of the screen. You will be returned to Mercy Medical Center–Clinton’s area of the My Benefits website.

During the two-week open enrollment period, you can make as many changes to your benefit elections as you wish. The last day to modify your choices is November 4, 2009. If the confirmation statement that you receive in your home mail does not match the benefits that you elected, it is imperative that you contact your Human Resources representative immediately to make the necessary corrections to your benefit enrollment record. If you do not change or correct your benefit elections, IRS regulations require you to remain in your elections until 2011 or until you experience a qualified status change. For more information on qualified status changes, visit <http://mybenefits.trinity-health.org>.

## For more information

We hope this enrollment guide has provided you and your family with all of the information you need to make your benefit elections for 2010. In addition to Open Enrollment, please remember to view your personal information. This will allow you to update your address, phone number, emergency contacts, etc. You may update your personal information at any time throughout the year. However, if you still have questions, you can:

- Contact your Human Resources department at 563.244.5878; 563.244.3528; or 563.244.5586
- Contact Darcy Crockett, HR Assistant at 563.244.5810
- Get assistance completing the Health Risk Assessment by contacting Andrea Barnett, Wellness Coordinator at 563.244.5801
- Get assistance with computer enrollment.

Day	Time(s)	Room
Wednesday October 21 through Wednesday November 4	9:30 a.m. to 11:30 a.m. 2:00 p.m. to 4:00 p.m.	Human Resources Office North Campus

- Visit <http://mybenefits.trinity-health.org>.

# Important reminders

## Benefit elections are final for 2010

Remember, the benefits you elect during open enrollment will be in effect from January 1 through December 31, 2010. The choices you make now are final for 2010, because open enrollment is your only opportunity during the year to switch medical, dental or vision plans.

If you experience a qualified family status change or certain employment status changes AND provide any required documentation to your Human Resources representative within 31 days of the event, you will be allowed to make certain benefit changes that are consistent with the status change. For example, getting married is considered a family status change. If you get married during the plan year you'll be able to add your spouse to your coverage within 31 days of the marriage because this is consistent with the status change. However, getting married is not consistent with switching from one medical plan to another, so you wouldn't be able to make this type of change until next year. For more information on qualified family status changes, visit <http://mybenefits.trinity-health.org>.

So before you enroll, be sure to consider what your needs may be for the upcoming year — and to choose your benefits accordingly.

## HIPPA privacy notice is available online

Trinity Health takes the security of its associates' and family members' Personal Health Information (PHI) very seriously. To access a copy of the Health Information Portability and Accountability Act (HIPAA) Privacy Notification, visit <http://mybenefits.trinity-health.org>. If you are unable to access the HIPAA notice online, contact your Human Resources representative to request a paper copy by mail.

## Notice: Women's Health and Cancer Rights Act of 1998

The Women's Health and Cancer Rights Act of 1998 requires all employers who provide a medical benefit plan to its employees to communicate the coverage provisions established under the Act. Trinity Health's medical benefit plan provisions are as follows.

- The Trinity Health medical benefit plan will not restrict benefits if you or your eligible dependent receives benefits for a mastectomy and elects breast reconstruction in connection with the mastectomy.
- Benefits will not be restricted provided that the breast reconstruction is performed in a manner determined in consultation with your (or your eligible dependent's) physician, and may include:
- Reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and treatment of physical complications of all stages of mastectomy, including lymphedemas.

Benefits for breast reconstruction may be subject to appropriate plan coverage provisions and limitation, including annual deductible, copayment and coinsurance provisions that are consistent with those established for other benefits under the plan.

If you have any questions about your medical plan provisions relating to the Women's Health and Cancer Rights Act of 1998, contact your Human Resources representative.

Notes

A series of horizontal lines for writing notes, corresponding to the squares on the left.
