Also eligible are your legal spouse (legal spouses are those for whom the Internal Revenue Services recognizes as a legal spouse, common law marriage is excluded), dependent children by birth, marriage, adoption, legal guardianship or Qualified Medical Child Support Order (QMCSO).

Dependent children are eligible for coverage under the Plan through the end of the calendar year in which they turn 19 or to the end of the calendar year in which they turn 24 and are enrolled as full-time student for at least five months of the year and, provided they meet all of the following criteria:

1. They are unmarried.
2. They are the natural, legally adopted or court appointed children of either you and/or your legal spouse (a legal spouse is a person who is legally married to you under applicable State and Federal law and who the IRS recognizes as your spouse and for income tax purposes; a spouse by common law marriage is not considered your legal spouse for Plan purposes).
3. They are not otherwise covered under the Plan or any other group health plan offered by the Employer.
4. They either:
 - have the same principal place of abode as you for more than half of the taxable year, and they do not provide more than half of their own support for the taxable year (a “qualifying child”); or
 - have gross income for the taxable year, which is less than the exemption amount under Code Section 151(d) (\$3,650 for 2009), you provide over half of their support and they are not anyone else’s qualifying child.

1. They are unmarried.
2. They are the natural, legally adopted or court appointed children of either you and/or your legal spouse (a legal spouse is a person who is legally married to you under applicable State and Federal law and who the IRS recognizes as your spouse and for income tax purposes; a spouse by common law marriage is not considered your legal spouse for Plan purposes).

If you and your spouse are both eligible under this contract, you may be enrolled together on one application card or separately on individual application cards. Your dependent children may only be enrolled on one subscriber's application card. Delta Dental will not coordinate benefits if both you and your spouse are employed with Trinity Health. Unless this is a Section 125 plan, subscribers and their dependents who enroll in the dental plan are required to remain enrolled for a minimum of 12 months. If this is a Section 125 plan, an election may be revoked or changed at any time if the change is the result of a change in family status as defined under Internal Revenue Code Section 125. The contractor and subscriber share the cost of this plan.

Benefits will cease on the last day of the calendar month in which employment ends.
