2010 Medical Plan Contribution Discount Program for Employees

Our Mission as Trinity Health calls us to treat the entire well-being of those in our care – and that includes our employees. In order to increase access to health care and treatment for all of our employees, Trinity Health has developed a medical plan discount program. This program makes medical benefits more affordable for eligible employees enrolled in a Trinity Health medical benefit plan. The program does this by reducing the eligible employee's medical plan contribution.

Who Is Eligible?

You are eligible for the discount program if you:

- Are a full- or part-time benefit-eligible employee enrolled in a Trinity Health medical benefit plan.
- Meet certain income requirements based on your household income and the size of your family (see below).

Note: If you or your dependents are covered under a state-sponsored medical assistance program, such as Medicaid or CHIP, you are not eligible for this program.

When Can I Enroll?

Eligible employees may sign up for the discount program during Open Enrollment. Assuming you remain eligible, you will need to recertify your eligibility each year during Open Enrollment.

What Is Discounted?

The discount reduces the premium contribution amount (taken through payroll deduction) that an employee pays for coverage under a Trinity Health-sponsored medical plan. The discount applies to single, two-person or family medical coverage. It does **not** apply to dental plan contributions.

How Much Is the Discount?

Depending upon income and family size, you may be eligible for a 25- or 50-percent discount on medical plan contributions. The chart on the right provides a breakdown of the discount.

How do I apply to take advantage of this program?

1. Take a copy of your most recent federal income tax Form 1040 (or 1040EZ) to your Human Resource (HR) department. An HR representative will then confidentially review it to confirm your eligibility.
2. Once your HR representative confirms your eligibility, you will complete the Certification Statement that is part of this brochure and give it to your HR representative.
3. Be sure to complete the application process before the annual Open Enrollment deadline at your Trinity Health location.
